She married Robert G Done on April 8, 1953. They had four children, Robert Michael, Marie Bair, Gloria Read, Keven Scott Done. She has ten grandchildren, twenty-seven great grandchildren, three great great grandchildren with two more on the way. She has one sister Pauline Helm from Salt Lake City and one sister-in-law Vonna Saxton. She was preceded in death by Parents and a brother Larry Dean Speth, her husband Bob, a grandson Cody, sons Michael and Kevin, and a great grand daughter in law Becky Done.

We are so thankful for the Hospice nurse Becky and aids Sadie and Brynlee. They had become mom's friends.

Grave side services will be Tuesday January 4th at 11:00 AM in the Smithfield Cemetery. Please don't send flowers as Mother always said, "If you can't bring me flowers when I'm alive then don't bring me any when I'm dead". Please donate to your favorite charity.

“ Our Lowery organ class sends our love to LaVina and her family. We are an able to come to show our respects because of our age. LaVina hosted our class for many years in her home, when she wasn't able to manage our steps. It was wonderfully therapeutic for all of us. Even though we weren't great musicians, we did make progress in our playing music, but the great benefit was meeting and visiting. Covid put an end to our gathering which we have all missed each other, but we have tried to stay in touch, but unable to find LaVina the last several months. We miss her and our time together. Till we meet again. Virginia Hansen, Carol Lynn Hunsaker, Clarice Higbee, Julia Hunsaker and Jolene Elwood
